### **Music, Music, Music!!**

**(choir & bells invites)**

It's time to start gearing things up for Easter. I'd like to begin rehearsals for the two Easter anthems on Thursday, March 4, 7:00 PM. Rehearsals will be approximately 45 minutes in length.

We will meet in the sanctuary and practice distancing while we rehearse. I don't expect you to sing with masks on, but if you are comfortable doing so, please feel free. I will be ordering some mask "spacers" for those who want one.

If you know any other singers who would like to participate, please invite them to come along.

Bell practice will begin on Thursday March 4 from 6pm o 6:30pm and will continue until April 1. The bells will be doing music for Easter also. Anyone is welcome to join!!

If you have any questions, call Shelly at 812 882 2220 ext 733 or e-mail [Shelly](#). All ages are invited to participate.

### **Coalition of Traditional Leaders Calls for Decision on Protocol at Earliest Possible Time**

A diverse group of theologically conservative Methodist leaders from around the globe who initially met in Atlanta, Georgia in March 2020 to announce a vision for a new traditional expression of Methodism has issued a statement today continuing their support for the Protocol for Reconciliation and Grace through Separation and urging “the Commission on General Conference, working with the Council of Bishops, to find a way in the spirit of the Protocol for General Conference delegates to debate, deliberate upon, and ultimately pass the Protocol’s implementing legislation at the earliest possible time.” The statement reiterates the group’s intention, “after the Protocol is passed, to form a global Wesleyan movement committed to the Lordship of Jesus Christ, the authority and inspiration of the Scriptures, and the work of the Holy Spirit in conveying God’s truth, grace, renewal, and sanctification to all people who repent and believe.” You can read the complete statement from the group [here](#).

### **Helping His Hands Volunteer Opportunities**

The missions committee is encouraging anyone in the congregation to take advantage of these opportunities to serve in our community. Contact anyone on the missions committee.

Helping His Hands Disaster Response (HHH) is a trained, non-profit disaster relief organization. Our headquarters are here locally in Vincennes, Indiana. HHH brings peace and assistance while mobilizing the church. The mandate of HHH is to immediately respond and provide aide to regions and people stricken by natural disasters, followed by continual aide in their journey of rebuilding.

We have many volunteer opportunities here at Helping His Hands. Some local opportunities to volunteer are through our Food Pantry and our Packing events. Volunteers at our food pantry assist with: stocking shelves, packing food boxes for give out, loading those food boxes in patron’s cars, help sort and repackage food, praying with patrons, and cleaning.

Our packing events are a great way to help locally and in turn help farther away. With the list of kits on our website you are able to host a packing event at your church or even come help pack at our main building. We have Hygiene kits, Kids activity kits, clean up kits, and so many more. Once the kits are packaged, they are ready to go help people in need. You can find a more detailed list on our website at [www.helpinghishands.com](http://www.helpinghishands.com). If you are interested in volunteering with us, please give us a call at our office (812-494-2888) or email our Volunteer Coordinator at [Mariah@helpinghishands.com](mailto:Mariah@helpinghishands.com). We look forward to hearing from you! Thank you and God Bless!
