## A Mission Not a Mausoleum

There are four or five sermons that I've heard in my lifetime that I can remember almost every word. God used the preachers that shared them to speak into my life. Those words have shaped and formed who I am in Jesus and what I do for

Jesus.

Bob Coy preached one of those sermons. He was the lead pastor of Calvary Chapel in Ft. Lauderdale. At the time, Calvary Chapel was the largest church in Florida. A member of the church I served almost 20 years ago gave me a CD of Coy's sermon, and it had a profound impact. The sermon was called "The Museum of Sardis" and it was based on Revelation 3:1-6, the passage where Jesus warns the church at Sardis that they are almost dead.

**Dear Community Church of Vincennes,**

Today (July 1, 2023) is exciting for many reasons...

First, today is the launch day of the Great Lakes Provisional Annual Conference (GL PAC) of the Global Methodist Church (GMC). After many months and hours put in by the Great Lakes TCAT (*Transitional Conference Advisory Team*) and others, we have formed our local annual conference.

For some, today is your first official day joining the GMC as a local church and/or clergy. For others, today marks the one-year, seven-month, or just-over-a-month anniversary of those who have already joined us. Whichever may be the case, welcome home! We are so thrilled to have you with us in the Great Lakes!

Second, below is our welcome packet, a resource to ensure we are all on the same page (literally) as we move forward into our next season. We have included a lot of important information about who we are, who is involved, connectional funding, our current leadership, and other items. Please also understand the lists of names are a "snapshot in time." When we submitted the proposal to go live as an annual conference, there were 156 churches, and now there are over 180 and counting.

We will share information regarding the GL PAC Convening Annual Conference very soon. If you haven't already, be sure to connect with us via Facebook at [Facebook.com/GreatLakesGMC](https://www.facebook.com/GreatLakesGMC) and check out our website at [GreatLakesGMC.org](https://www.GreatLakesGMC.org).
