Simple Fundraising Opportunities

Amazon Smile: Community United Methodist Church has an Amazon Smile Account, if you haven't signed up before and need to know how, contact Administrative Assistant, Susie and she will walk you through it. It is very easy and every time you order from Amazon (make sure the smile shows up). A donation will be made to the CUMC account! How easy is that!!

Gift Cards: Order gift cards from our youth director, Lori Graham and our youth will receive donations for the purchases. There are many cards available to purchase like gas, food and groceries and they cost you nothing except the face value of the card you are ordering. Order the cards from Lori or you can purchase them on line from Scrip - Raiseright.com but don't forget to select Community Church Youth Group to receive the credit.

KETA

It is KETA backpack time! (Kids Equipped To Achieve). Please bring in backpacks to the church starting now through July 24th to help supply backpacks for children in need from grades Kindergarten through High School. We are also collecting 5 subject notebooks and monetary donations this year. Thank you for making a child smile

Albanian Mission Project

The mission team is collecting money to support two church plants in Albania. Our goal is \$2,000. If you need a bank for your donations, they are located outside of the sanctuary entry way. Pick up the bank to collect money in and then return it back to the church sometime in July.

Ten Reasons Why I'll Join the Global Methodist Church

By Jay Therrell
July 8, 2022

As more and more congregations are discerning where their future lies, I offer some of the things I considered as I made my decision to join the Global Methodist Church. I was humbled to be one of the initial drafters of the GMC's Transitional Book of Doctrines and Discipline. I invite you to focus on the future as I share ten reasons why I joined the Global Methodist Church ("GMC") when it launched. (All paragraph references are to the Transitional Book of Doctrines and Discipline which you can access by clicking ([here.](#))
