ELECTRONIC GIVING  
COMMUNITY CHURCH OF VINCENNES  
In partnership with  
VANCO

We invite you to give electronically through our church website.  
You may use your computer, tablet or mobile device, wherever you have internet access.

- **Go to the website [www.communitychurchofvincennes.org](http://www.communitychurchofvincennes.org) and select **on-line giving**.**
- **You will be sent to a **SECURE VANCO** portal to make your contribution**
- **You will be asked to set up an account and choose a password**
- **You will need your bank account number and routing number**
- **You may set up a one-time contribution or a recurring scheduled giving**
- **There are many areas that you can designate for your contribution to support**
- **This is an easy and convenient way to support the ministries of Community Church**

You are in control of when the contribution would be given, and the money is deposited directly to that ministry through the bank checking account.

You can go to the site and change your donations or choose to give to special ministries at your convenience. (You need to keep a record of your password in the event you would want to change something later, or update your giving)

If you are using the recurring method and want to change your giving, you would sign in, choose your profile and then choose transactions. You would then cancel that amount and enter the new amount by going back to the giving page.

If there are questions or you need help in setting up an account, you may call Cindy Lone at 812-882-2220. Monday, Tuesday and Thursday are her normal days in the office, or you can leave a message and she will get back to you as soon as possible.
