**PLEASE COME AND HELP US!** The Handbell Choir is looking for 2–3 people to add to the ensemble to play a special piece this summer. We will be working on "You Raise Me Up," a beloved song made popular by Josh Groban and composed by Rolf Løvland. We need two people to play in the treble clef, and at least one person to play in the bass clef. One of our beloved handbell members has been wanting to play this for some time, and without the additional help, it can't be done.

Rehearsals would be periodic. Please email Shelly: [shelly@communitychurchofvincennes.org](mailto:shelly@communitychurchofvincennes.org) if you would be interested. Thank you!

# The Ark and the Darkness Movie

Run Time: 2 hours and 5 minutes

ALL DATES: March 20 & March 21

Check your local theater for showtimes...

There is a tale over 4,000 years old, preserved in ancient writings from every major culture around the world. Many thought it was only a myth, but recent discoveries confirm what the Bible has said all along. From the Director of Genesis: Paradise Lost, Sevenfold films and Genesis Apologetics present The Ark and the Darkness. Geology, paleontology, the fossil record, ancient history, volcanism, earth science—all of these scientific fields converge on one simple truth: Noah's Flood actually happened.

Join our team of scientists from Answers in Genesis and Liberty University as we reveal the truth about Noah's Flood.
