### **News from the Front Office**

We have recently learned that Susie and her husband, Maurice (Bud), have an amazing opportunity to work for Fantasy RV Tours.

This company provides sightseeing tours for RV enthusiasts throughout regions of the United States, Canada, and Mexico. For the past two years Susie and Bud have participated in a few of these tours and now will take a role in helping to leading them. Their first venture will be in September of this year helping lead a caravan of campers up to Niagara Falls.

On the down side of this opportunity is the reality that Susie will be retiring as the church Administrative Assistant. After ten years of keeping things operational here in the office she gets to turn in her computer screen for the windshield of their RV enjoying the open road and exploring the country.

Susie will certainly be missed here in the office as there is very little that happens around here that she isn't involved in. From answering the phone, scheduling events, greeting visitors to maintaining all the church records, online posts, and keeping the pastor up to date on what's going on she covers a lot of ground. There are certainly plenty of things she does in between all of these duties as well. On the bright side of things she will be staying on until the end of June. That being said the SPRC will now be taking résumés from those interested in this position. We will be looking for someone to begin training with Susie through the month of June. So, if you or someone you know is qualified in office work/management and is interested please email a résumé to [office@communitychurchofvincennes.org](mailto:office@communitychurchofvincennes.org) and in the subject line type Administrative Assistant. For a copy of the job description click [\(here\)](#).

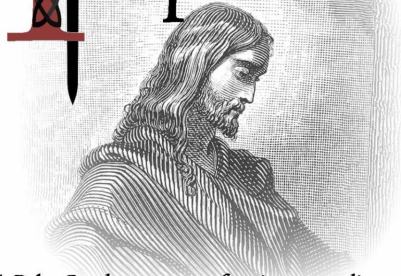

On behalf of myself and the Staff Parish Relations Committee we pray abundant blessings on Susie and Bud in their new venture and express our deepest gratitude to Susie for her many years of faithful service. May God watch over them, go before them, and protect them in their travels. We will also look forward to seeing them around the community and here at church from time to time. In her remaining months here on staff take please time to stop in and tell Susie thanks and let her know how much you appreciate her work and that she will be missed.

God bless each of you,  
Pastor Darren

## Easter Eggs

Tuesday morning there were many busy hands filling Easter Eggs for the children's egg hunt on Saturday, April 8. It was a "little" timely to get them all filled but it probably won't take the children long to get them all opened up! Everyone working together is wonderful to observe!

Everyone getting into the action!

Dear Mary Marthas,

Thank you for your donation to Backpacks of love for VCSC.

They always say it takes a village to raise a child and I'm sure the children of the Vincennes Community School Corporation are sure glad you are part of their village. As always, you are greatly appreciated!

Kathy Clinkenbreard  
Project Coordinator

Community Church of Vincennes,

Thank you for your donation of \$ 1,000. Your continued support is why we are able to help

those in our own community that are in need.

Many Blessings,  
Vincennes Community Food Pantry

## Leadership Lessons from Nehemiah

During this season of Lent, I've had the humbling privilege of leading a Bible study on the Book of Nehemiah. Nehemiah was the cupbearer to the King of Persia and after hearing about the deplorable condition of Jerusalem (which was still under occupation), he boldly asked the king for permission to help rebuild it. To Nehemiah's pleasant surprise, the king granted his request, allowing Nehemiah safe passage, providing soldiers and other resources.

God called Nehemiah to rebuild Jerusalem after it had been destroyed. From the ashes, God used Nehemiah and other faithful followers to rebuild the city walls and help Jerusalem become a viable city. As the Wesleyan Covenant Association and other traditionalist advocacy groups do our best to help churches exit The United Methodist Church so they can truly live into their God-given call, I've found many lessons from Nehemiah that are helpful.
