Children's Ministry is collecting for the rest of Lent donations for Helping His Hands Children Emergency Kits. Thank you for teaching our children about generosity and caring for the least of these!

### New page added to the CUMC website

There has been an additional page added to the church web page "denomination and local links page". If you're looking for the latest news and events of our district, conference, or denomination, you can find it there. Along with church related information we have links for many of our local interest such as schools, museums, and local government. To see the new information page click [here](#).

High School parents: if you are planning on your child going to high school camp, you need to get them registered ASAP. There is a wait list for week 1 already. We will need adults to go too. Whose brave enough to spend a week at camp with high schoolers? You will be tired and blessed by the end of the week.

### Youth Group offers yard signs to rent

Our yard signs have arrived. Starting March 1 these can be placed in yards for \$15.00 for 48 hours. [Here](#) is the order form if you want to get a jump start on your holiday planning.

Dear CUMC Friends,

I appreciate so much receiving your bulletin each week, along with a copy of "home touch", a good old hymn with thoughts by Rex - such a blessing. Also a monthly copy of the "The Upper Room" I want you to know I am sharing these blessings with as many as possible. So many here at Colonial don't seem interested but God still loves them. They just don't know what they are missing.

Love and Appreciation,  
Martha Coomer

Dear Church Family at Community United Methodist Church,

Thank you for your generous on-going support in your 5th Sunday LAM House drive! That means so much to our residents! And thank you for your generous support for what has become our 2021 LAM Banquet Fundraiser!

To date, we have raised just over 1/2 of our normal amount we raise yearly with the banquet.

Bless you all!

Marsha Bishop

Exec Director of LAM
