He saw the **linen cloths** lying there, and the **face cloth**, which had been on **Jesus' head...** folded up in a **place by itself.**

Why Did Jesus Fold the Napkin?

Why did Jesus fold the linen burial cloth after His resurrection?

The Gospel of John (20:7) tells us that the napkin, which was placed over the face of Jesus, was not just thrown aside like the grave clothes. The Bible takes an entire verse to tell us that the napkin was neatly folded and was placed separate from the grave clothes. Early Sunday morning, while it was still dark, Mary Magdalene came to the tomb and found that the stone had been rolled away from the entrance. She ran and

found Simon Peter and the other disciple, the one whom Jesus loved. She said, 'They have taken the Lord's body out of the tomb, and I don't know where they have put him!' Peter and the other disciple ran to the tomb to see. The other disciple outran Peter and got there first. He stooped and looked in and saw the linen cloth lying there, but he didn't go in. Then Simon Peter arrived and went inside. He also noticed the linen wrappings lying there, while the cloth that had covered Jesus' head was folded up and lying to the side.

Was that important? Absolutely! Is it really significant? Yes!

In order to understand the significance of the folded napkin, you have to understand a little bit about Hebrew tradition of that day. The folded napkin had to do with the Master and Servant, and every Jewish boy knew this tradition.

When the servant set the dinner table for the master, he made sure that it was exactly the way the master wanted it...

The table was furnished perfectly, and then the servant would wait, just out of sight, until the master had finished eating, and the servant would not dare touch that table, until the master was finished. Now, if the master were done eating, he would rise from the table, wipe his fingers, his mouth, and clean his beard, and would wad up that napkin and toss it onto the table. The servant would then know to clear the table. For in those days, the wadded napkin meant, 'I'm done.' But if the master got up from the table, and folded his napkin, and laid it beside his plate, the servant would not dare touch the table, because..... The folded napkin meant, 'I'm coming back!'

He is Coming Back!

Dale & I are very thankful to be home. We have appreciated all of the many prayers, cards, visits, and all the ways that you

showed you cared. The leg & shoulder will need continued therapy, but we are on the mend. God is good. Letha Jane

Texas Panhandle
Fires: Global Methodist
Churches Need Your
Help
The devastating Texas
Panhandle wildfires
that began on
February 26, have

been fully contained. As those living in the affected areas begin to rebuild after the destruction, the outpouring of support from countless individuals has been overwhelming. Donations of essential items like food, clothing, household goods, and water have flooded in, thanks to the generosity of many. The West Plains President *Pro Tempore*, Mike Schafer, has a message on how we can continue to assist our Global Methodist churches in the affected communities.

Local GM churches in the communities of Stinnett, Miami, and Canadian, Texas, have established designated funds to help aid in relief. To make a contribution, please contact these churches directly using the provided information. We ask that you keep those who have been affected, our churches, and their pastors in your prayers as they work towards long-term recovery and continue to assess the needs of the impacted communities.

(A printout of the above names and addresses is hanging on the bulletin board outside the front office in case you need to read a larger copy.)
