Once we know of her official start date we will let you know. In the meantime we ask for your continued prayers for their transition from Wisconsin to Vincennes.

members to participate in our Thanksgiving offering on November 15 and November 22. We will collect a love gift for the Vincennes Food Pantry. There is a need for perishable items to be used in Thanksgiving boxes that will be provided to their clients. Our gift will be in monetary form and used to buy these items by the Food Pantry Board Members.

Let us remember, all we have is provided by God and is to be shared with others.

all while a divisive election (complete with deep suspicions and accusations of cheating on both sides) threatens to tear this country apart. In the west, our churches are still shrinking while secularism grows. These are dizzying times, to say the least. In the midst of it all, God's people need a word of hope. They need a reminder that whatever happens, God is in control, and these strange forces tearing civilizations, nations, lives, and livelihoods apart are not.

From the Mailbag:

A huge thank you to all of you who help me get through my second shoulder replacement in 2020. You thought of me, prayed for me, kept Jack and I nourished with delicious food, gave me a call and generally I knew you were there for me. 2020 has certainly been an eventful year in so many different ways but I am ready to put it behind us and lets get back in church socializing together in the sanctuary to get our church going again. We have Pastor Darren who has ideas and plans for us and now a new music director, Shelly, who has ideas and plans. Let's mask up and support them as our leaders. As for me worship is so much more meaningful with all of you instead of in my lounge chair. See ya and thanks again so very much.
