If you are keeping your membership with Community Church of Vincennes, you don't have to fill out the form below, you membership will automatically transfer.

Updating Church Membership

As we move forward and join with the Global Methodist Church we want to do so with our membership records up to date.

For everyone attending Community Church, your membership status, whatever it may currently be, will automatically transfer, as is, into the GMC. That being said, not everyone may want to be a part of this transfer while others have already moved on long before this change was even conceived. To help facilitate this update we are asking if anyone who would like to update their status to please click on the link below and fill out the online form found on our website.
