TRANSPORTATION MINISTRY

It has come to our attention that there are people needing transportation to doctor's appointments out of town, such as in Evansville. We need someone to head up this ministry. It could be a person who is not able to offer transportation themselves. Or it can be one that does. It would be great if we could have a team working on this. We need people willing to do the transporting.

Please pray about this. Ask God, is it I?

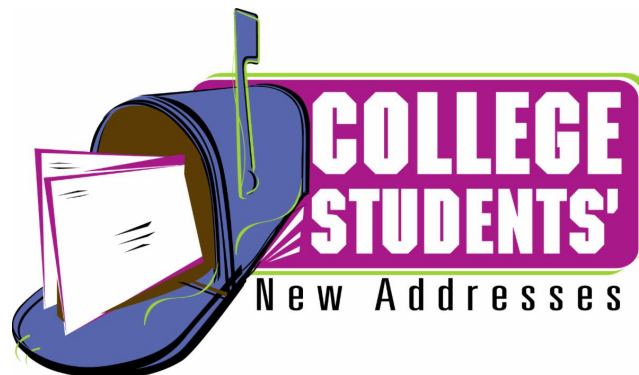

A sign up sheet will be at the welcome center if you have more questions.

Thank you!

Midwest Mission disbursed 384 Home Care Kits and 560 Personal Dignity Kits, along with 180 cases of disinfectant wipes and 235 cases of antibacterial hand cleaner. This shipment totaled 16,877 lbs. and was valued at \$54,630.00. These supplies are going to Spanish Town, Jamaica, in partnership with Food For The Poor's "Angels of Hope" program, which serves children in group and foster homes in the Caribbean and Latin

American countries. The items provide basic necessities for safe and healthy living conditions so vulnerable children can rise above the effects of extreme poverty, abuse or abandonment.

Thank you to all our donors and mission volunteers who purchased and assembled these essential kits that show God's love in a practical way. For every dollar spent in 2021, \$7.66 of supplies were shipped. Every kit assembled at Midwest Mission is made by a volunteer. Without your dedication, we would not be able to continue to help others.

Let Me Say That Again

By Dr. Maxie Dunnam

Most ministers have a preaching style with practices that are common in their delivery of the sermon. Somewhere along the way in my preaching, I developed a practice of emphasis and repetition using the recurring phrase, "Let me say that again." I say that when I want to lodge solidly in the mind and heart of the listener something I have already said and want to emphasize. "Let me say that again."

As I am responding to the raging division and separation in the UMC, I thought my common practice in preaching would be a good communication tool. I believe separation is essential, even redemptive, and can be a faithful response to the crisis we are in. *I believe separation is essential, even redemptive, and can be a faithful response to where we are. Let me say that again. I believe separation is essential, even redemptive, and can be a faithful response to where we are.* So here we go.

There are five areas of concern on which I base my conviction that separation is essential.

Updating Church Membership

As we move forward and join with the Global Methodist Church we want to do so with our membership records up to date. For everyone attending Community Church, your membership status, whatever it may currently be, will automatically transfer, as is, into the GMC. That being said, not everyone may want to be a part of this transfer while others have already moved on long before this change was even conceived. To help facilitate this update we are asking if anyone who would like to update their status to please click on the link below and fill out the online form found

on our website.
